

PRODUCT DESCRIPTION

Whether in competitive arenas or a local gym, activity is a cornerstone of health. As anyone who has ever donned workout shoes will tell you, athletic activity can tax your body, and make it sore. The dōTERRA® Athlete's Kit was designed with athletes in mind, and is perfect for supporting healthy lifestyles from competitive to health-minded. The kit includes key products for those with an athletic lifestyle: 5mL Bottles of Breathe,™ On Guard,® Lavender, Melaleuca, and Peppermint and a 120 mL tube of Deep Blue® Rub presented in a compact, reusable zippered pouch. With the Athlete's Kit, you can enjoy implementing athleticism in your life.

CONCEPT

dōTERRA® partners with athletic facilities to provide elite athletes with the beneficial properties of essential oils. This same kit is now available to all sports enthusiasts and athletes. Packaged in a convenient carrying case for use wherever your activities take you, this kit is geared toward active individuals who are new to the benefits of essential oils and dōTERRA®.

PRIMARY BENEFITS

- Breathe™ Respiratory Blend (5mL): dōTERRA Breathe™ has been used by a variety of individuals looking for relief from seasonal changes.
- On Guard® Protective Blend (5mL): dōTERRA On Guard® Essential Oil provides athletes with the defense necessary to keep up with an active lifestyle.
- Lavender (5mL) essential oil provides calming and soothing effects when diffused at night after an event or applied to any skin irritation.
- Melaleuca (5mL) essential oil, one of our most popular and versatile oils, can be used for a variety of athletic needs from skin irritants to boosting immunity.
- Peppermint (5mL) essential oil promotes a boost in mood or calms occasional stomach upset.
- Deep Blue® Rub (120 mL) is a must for solutions associated with an active lifestyle.
- Compact, reusable zippered carrying case
