Woody, sweet, herbaceous

PRODUCT DESCRIPTION

HD Clear Topical Blend is an important part of the HD Clear system. Formulated with Black Cumin Seed Oil and CPTG® essential oils, this potent formula can be applied to targeted areas on the face and body, and makes a perfect spot treatment. HD Clear improves troubled skin by controlling overactive sebaceous glands, improving skin texture, soothing irritated skin, and assisting in cell renewal. The essential oils in HD Clear are not only used for their therapeutic properties, they are also soluble through lipids in the skin, allowing for perfect absorption and effectiveness. HD Clear Topical Blend promotes a clear, smooth complexion for skin of all ages.

USES

- Apply directly to problem areas on the skin or use as a spot treatment.
- Apply to chest and back to control excessive oil sebum in the skin.
- Use to soothe and rejuvenate minor skin irritations and other conditions.

DIRECTIONS FOR USE

Topical use: Apply a thin layer to targeted areas on the skin, or use as a spot treatment. Dilute with dōTERRA Fractionated Coconut Oil to minimize any skin sensitivity. See additional precautions below.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.

PRIMARY BENEFITS

- Helps control overactive sebaceous glands
- Promotes clear, smooth skin
- Soothes skin irritations
- Assists in cell renewal
