PRODUCT DESCRIPTION

A proprietary blend of powerfully renewing, rare essential oils used throughout history for their beautifying benefits, Immortelle Anti-Aging Blend is formulated to protect and nourish skin while helping to reduce inflammation — a major contributor to the aging process. Supporting skin at the cellular level, these essential oils help sustain smoother, more radiant, and youthful skin. Immortelle easily absorbs into the skin and can be used on the face, neck, and décolletage to reduce the appearance of fine lines, wrinkles, and aging skin.

USES

- Apply a thin layer of Immortelle to the face, neck, and décolletage, then repeat application to targeted areas of concern. Follow with the dōTERRA moisturizer of your choice.
- Use on minor skin irritations to reduce the appearance of scars, blemishes, and stretch marks.
- Applied to the back of the neck and earlobes, Immortelle can help lessen tension throughout the day.
