

PRODUCT DESCRIPTION

On Guard+ Softgels combine the proprietary blend of dōTERRA On Guard essential oil with Black Pepper, Oregano, and Melissa essential oils for additional immune support. On Guard+ is a great way to strengthen and maintain healthy immune function when seasonal threats are high or to protect against elements that can weaken the immune system. Encapsulated in vegetarian softgels, this distinctive blend contains essential oils known for their positive effects on the immune system and their ability to protect against environmental threats. On Guard+ should be taken on an occasional basis, when healthy immune function may be compromised.

DIRECTIONS FOR USE

Take 1 or more softgels as needed to promote healthy immune function.

CAUTIONS
